### **Is Inventory an Asset or Liability Bizfluent**

Inventory, on the other hand, is an illiquid asset: You have to sell it in order to raise the cash you need to run the business. Because a business must pay rent, utilities and payroll with cash every month, holding excess inventory could pose a problem if the inventory is not being converted into cash quickly enough.

### **Is Your Inventory an Asset or A Liability CYBRA Corporation**

So, is your inventory an asset or a liability? It should be your greatest financial asset. If you are selling items that consumers can't find elsewhere, and at the right price, your inventory turnover should be through the roof. If not, it may be time to get a better handle on your inventory. And, how might that get accomplished?
